AMONG THE MANY THINGS YOU WILL LEARN ARE:

- A common language of leadership.
- Input into common, long-range success indicators.
- Common models to use in effective Leadership and as a basis for focused job descriptions, performance evaluations, budgets and regular reports of progress toward agreed-upon objectives to customers and clients.
- Common understanding of the requirement for all employees in all organizations to demonstrate value-added to customers and clients.
- Systematic methodology for cascading accountability and decision-making authority throughout the organization.
- A common set of “Team Rules” among and between Team members.
- Clear understanding of why and how to eliminate various “silos” among and between all departments and echelons in the organization.
- A consistent understanding among all Team members at all echelons that there is no such thing as a “non-marketing” employee.
- Behavioral choices of effective Leaders ... and more!
