# NEGOTIATIONS FOR PATROL 2-DAY & SCENARIOS

*Are you ready to master the moments that matter most, before tactical teams arrive? Elevate skills in effective and field-tested negotiation and communication techniques. Led by a hostage negotiator, this training equips officers to stabilize volatile scenes, influence behavior, and gather critical information when you are the first responders.*

- ✓ **Build confidence** handling volatile street encounters. No hesitation.
- ✓ **Influence behavior confidently** under real-world pressure. No shortcuts.
- ✓ **Stabilize crises** with thorough planning and information gathering.
- ✓ **Manage crises before tactical support arrives.** Stay steady.

May 12 & 13, 2026  
Tuesday & Wednesday  
8 am - 5 pm

Hosted by:  
Salina Police Department  
Salina Regional Training Center  
3770 Yost Dr.

**Salina, Kansas**

Benefit from practical negotiation techniques designed for real patrol investigations. Build confidence stabilizing scenes, gathering critical information, and preparing incidents for tactical response when specialized teams arrive. Through hands-on exercises and realistic scenarios, officers develop reliable skills to manage volatile encounters and move cases forward safely. These aren't theories—they're field-tested practices built through repetition in real-world situations.
